

CENTRAL JOINT FIRE DISTRICT

Standard Operating Procedure

SUBJECT: Firefighters

SOP Number: 133
Effective Date: 5/2/93
Revised Date:
Approved:

PURPOSE: The purpose of this standard is to provide guidelines into the duties of the Firefighters of this department.

SCOPE: This standard applies to all personnel in the department.

APPLICATION:

Authority: The Firefighter is a direct extension of the authority of the Fire Chief and as such is responsible for using that authority to complete such tasks as may be legally assigned by the Fire chief, superior officers, or senior firefighters.

Responsibilities: The Firefighter shall be responsible for compliance with all departmental SOP's relating to the position of firefighter with the Central Joint Fire District.

Assignments: The Fire Chief or his designee shall make all necessary firefighter assignments and delegate authority to those assigned to assure the proper operation of all assigned departmental functions.

Record and Reports: The Firefighter shall maintain all assigned or required records in compliance with federal, state, county, or local laws. The required records shall include but not be limited to: Ohio Fire Incident Reports, Vehicle Maintenance Reports, Fire Inspection Reports, and SCBA Inspection Logs.
